Redbirds Lacrosse Club Members;

The Redbirds Lacrosse Club will hold an Annual General Meeting on Wednesday, November 25th, 2009 at the Magna Centre in Multi-Purpose Room #1 Newmarket starting at 7:30 p.m. The RLC has a number of issues that need to be addressed and it is imperative that we deal with them quickly so we can prepare for the 2010 season.

Most important is that several members of our current Executive will not be with us in 2010. I want to thank those executive members for their many years of dedication to the RLC and the sport of lacrosse in our communities. **What we need to keep the Club growing and prospering is your involvement as a member of the Board of Directors.**

There are a number of significant roles that need to be filled in order for this club to continue. Most importantly we need to fill the following roles;

President	Director of House League
Director of Field	Director of Marketing/Sponsorship
Scheduler	Secretary

If you know the game and want to help that's great, but it is not essential in order to get involved to keep this program running. If you are interested in helping out, want to voice your opinions or just want to learn more about the RLC, we urge you to come out on November 25th. If you are interested in one of the positions, and would like more information, please e-mail redbirdslacrosse@yahoo.ca for a detailed job description. It is important that we address the above needs quickly as we are obligated to advise the Ontario Lacrosse Association of the status of our club.

Yours truly,

**Randy Henderson, President
Redbirds Lacrosse Club Inc.**
