

REDBIRDS TYKES PREPARE FOR THE ACC

It's not just anyone that gets to play at the ACC, but the Redbird Tykes lacrosse team happily made their way to Toronto to warm up the crowd just prior to a Toronto Rock game. To prepare for their February ACC appearance, the young lacrosse team players (ages 7-9) dusted off their sticks and practiced for the big day. Lacrosse is one of the fastest growing minor sports in Canada, and is also known as Canada's National Summer Sport. You can find out more about Redbird's Houseleague Box programs for ages 4-16 by visiting www.redbirdslacrosse.com
